NB Team of the Week - Varsity Volleyball

The Varsity Volleyball Team is on a roll!! The Lady Eagles have taken on two big district opponents within the past week and managed to earn two important victories. In the first win the girls came out with a vengeance defeating American Heritage in three straight games (25-21, 25-21, 25-22.) Then last night they came out with another great start against Coral Springs Charter taking Game #1 (25-23) and Game #2 (25-19). The Lady Eagles let up just a bit in Game #3 falling 25-18. In Game #4 the girls regrouped battling back and forth with the Lady Panthers but came up just short 26-24 forcing the match to a Game #5. The Lady Eagles came out in the final game with a determined mindset that they would not let this match slip away, and they did just that taking an early lead and never looking back clinching the match 15-9! The girls look to continue their winning ways as they travel to St. John Paul today for another important district match. Good Luck Girls!
