Gaston County Cyclists

2019 Polar Bear Ride

20, 40 or 60 Mile Routes

The courses travel the rural backroads of Gaston County - and in some places York County. There are a fair number of hills, but none that should defeat an amateur - or cause great pain to a seasoned rider. Rest stops provided. Pre-registration: \$30 for non-members; \$35 for those who want to pay ride fees and membership dues combined.

Proceeds go to The Backpack Program

More than 22 million children receive free or reduced-price meals through the National School Lunch Program and the National School Breakfast Program. For many of these children, school meals may be the only meals they eat. This program makes it possible for them to take wholesome, nutritious food home with them for the weekend.
